Re: John Doe v. Hofstra University et al.
Docket No. 2:19-cv-02064-JMA-GRB

Dear Magistrate Judge Brown:

The undersigned firm represents the Plaintiff, John Doe, in the above-referenced matter, and respectfully submits this letter request for a 30-day adjournment of the discovery conference currently scheduled for November 19, 2019. (ECF Docket Entry dated 10/4/19). The Defendants consent to this adjournment request.

The parties have exchanged Phase I discovery and have begun discussions of a possible resolution to the litigation. In the interest of efficiency for both the Court and the parties, the parties therefore seek additional time to potentially resolve this matter.

We respectfully request that the Court approve this joint request and grant a thirty-day adjournment of the scheduling conference and respective Phase II discovery deadlines. Thank you for your time and consideration.

Respectfully submitted,
NESENOFF & MILTENBERG, LLP
